Web: <http://www.qsl.net/mrac>

Est. 1917

**Meetings:** The last Thursday of each month at 7:00 p.m. in the basement of Redemption Lutheran Church, 4057 N. Mayfair Road (just north of Capitol Drive) south entrance. Handicapped accessible. December meeting is replaced by a Christmas dinner party. For details, call our telephone hotline: 262-797-MRAC.

*You are cordially invited to stop by!*

Our meetings consist of a brief business session followed by a program dealing with various aspects of ham radio, electronics, communications. Coffee, soda, and doughnuts are available at the meeting. There is often a raffle of various radio-related materials with free magazines and books. Again, the meetings are open to all, member or not.

**Ham radio license exams:** MRAC is one of 14 Volunteer Examiner Coordinators (VEC) in the US. We operate testing sessions for all classes of amateur radio licenses on the last Saturday of the month (except summer) from 9:30 a.m. - noon at Amateur Electronic Supply, 5710 W. Good Hope Road. (It's always a good idea to call 262-797-MRAC beforehand.)

**Saturday morning breakfasts:** weekly starting at 8:00 a.m. at Maxim's Restaurant, 18025 W. Capitol Drive in Brookfield. *Drop by sometime!*

**Two meter repeater:** W9RH on 147.045 MHz +600 127.3 Hz PL.

**Field Day:** We participate in the annual "*Field Day*" emergency preparedness exercise and contest, normally from Pioneer Village north of Cedarburg.

**Christmas Party:** held at a restaurant (instead of our monthly meeting in December). Open to members and guests.

**Friday night 10 meter sideband net:** on 28.490 MHz starting at 8:30 p.m.

**Friday night 2 meter FM net:** on the Club's two-meter repeater (W9RH) on 147.045 MHz +600 at 9:00 p.m.

**Regular newsletter:** *Hamateur Chatter* is mailed to MRAC members about 8 times during the year. Covers local ham activities, including upcoming swapfests, local, state and federal legislative alerts, meeting descriptions, editorials, and DX reports.

Call 262-797-MRAC for further details,
